

CHEF PARTNERSHIP OVERVIEW
PAIRED DINNERS

WWW.SANANTONIOCOCKTAILCONFERENCE.COM

SAN ANTONIO COCKTAIL CONFERENCE was created by Houston Street Charities to bring together cocktail experts, top bartenders, sponsors, and cocktail aficionados to drink and dine while enjoying guided tastings, competitions, cocktail parties and educational seminars. Each year money raised during the conference is donated to children's charities in San Antonio. Now in its seventh year, volunteers, sponsors, and patrons of San Antonio Cocktail Conference have made it possible to donate over \$500,000 to save children's lives. "Pouring our Hearts Out- Cocktails for Children's Charities" is a mission that has been dear to the hearts of everyone who works on the conference. Past recipients of funds from San Antonio Cocktail Conference include The Children's Shelter, ChildSafe, Clarity Child Guidance, San Antonio Food Bank, HeartGift San Antonio, TEAMability and Transplants for Children.

PAIRED DINNERS

When Houston Street Charities puts on the Cocktail Conference each January, it brings people together to enjoy the culture of the crafted cocktail, along with the learning and celebration that goes with it. As a part of that effort, we created the Paired Dinners as a kick-off to the conference. The Paired Dinners feature some of the best restaurants in San Antonio and give patrons a chance to enjoy craft cocktails in a special and more intimate dining experience, while giving the restaurants an opportunity to showcase their best by offering a multi-course dinner paired with a specific spirit.
